

6 October 1992

Dear Mr. Mohammed,

We have prepared a short list for you of the periods we would like to cover in our book. At this point, we are not ready to commission any essays for this book, but we would appreciate any responses you might have to this list. We would also be very grateful for your opinion about who you think the best writers are for each period - be they Kurdish or foreign. Here is a rough breakdown of the historical periods.

- Sh. Obaidullah
- Formation of the Hamadiyeh cavalry and the massacre of Armenians
- Sh. Mahmud / Bombing by British
- Simko
- Sh. Said Revolts
- Dersim Revolts
- Mahabad Republic
- Contemporary Analysis (1960-1992)

We are also enclosing a general description of our project. We enjoyed speaking with you so much.

We only wish that we had more time to visit with you.

If you could let us know in a letter whom we might notify about our plans for the spring, perhaps we can meet again then. Also, in case you do not have our address in New York, it is:
